Remembrance Sunday Prayer.

"For those who have died on active service O God of truth and justice, we hold before you those men and women who have died in active service..."

Believers of this Christian faith can look to this prayer as solace, as well as a kind remembrance and sincere request for mercy for those who have died in service of their countries. Amen

They will turn their swords into ploughs and their spears into pruning tools; no longer will any nation take up the sword against another; nor will they pursue the way of war any more Amen
